There's only one home left at Rosemarie Estate, and it's a standout.

Set on a quiet, private estate in Monteseel with just two homes, this is the kind of property that doesn't come around often. It's spacious (438 m² to be exact), beautifully finished, and designed for the kind of lifestyle that feels both luxurious and laid-back.

You've got four big bedrooms, three of them ensuite. Four and a half bathrooms in total. Two lounges that flow effortlessly for entertaining. An office if you work from home (or just like a quiet corner). A scullery to keep things tidy. The veranda is a showstopper. Infinity-style with sweeping views that make you stop for a minute and take it all in.

Transfer duty-free, this home is packed with thoughtful extras and smart design details throughout.

Monteseel is known for its natural beauty, fresh air, and sense of calm, but still close enough to everything you...
